

The Swim School Hub

The Swim School Hub is an online and interactive training platform that has been developed using the philosophies and teaching practices of Laurie Lawrence to benefit swim schools and their teachers.

Training Benefits for your Swim School

Access to over 55 modules and 165 resources to equip you and your teachers with essential swim teacher training from infant aquatics through to stroke development and squad training.

Growth and physical development for under 4 year olds

Skill-based lesson plans for all age groups and class types

Skill-based training videos

Latest research and high-level industry articles

Monthly webinars - recorded so you can watch back

New content added monthly

Management Benefits

Custom Dashboard

Platform is set up with your swim school logo and theme, plus you can add staff photos to each profile

Management

You manage the addition of new users, monitor progress, control access and group users

Electronic Forms

Streamline your day to day reporting with our electronic forms. You can assign these WHS, HR and pool operation forms to your staff to complete and submit back to management.

Automation

Automatically trigger when staff receive training, monitor progress and set due dates

Compliance

Store staff qualifications in one location with automated reminders

Other benefits

Free listing in our Parent Directory on the WWSS website and use of Swim Member Logo

Emergency Risk Ready (ERR) Training Modules

Ensure staff know how to respond to emergencies at your Swim School:

The ERR Training modules are designed to improve the safe work practices of all employees.

Training Content: ERR Training consists of 3 training modules, with over 20 topics.

Medical emergency

Non-medical emergency

Chemical emergency
