Professional Development Academy for Teachers

The Professional Development Academy is an online and interactive training platform, that has been developed using the philosophies and teaching practices of Laurie Lawrence.

The Professional Development Academy provides you with new training content monthly including lesson plans, training videos, educational articles and access to interactive webinars, which will ensure you have all the up-to-date tools you need to become a world-class teacher.

What's Included?

All members receive instant access to over 55 modules and 165 resources ranging from infant aquatics (from 4 months) through to mini squads.

Our training will help you:

- » Understand what a good program should include
- » Understand children's physical development
- » Learn what children are capable of

The academy will provide you with:

- » Skill-based lesson plans for all age groups and class types
- » Latest research and high-level industry articles
- » Skill-based training videos

Other benefits:

- » Monthly webinars with Laurie and the team
- » New content added monthly
- » Listing on the Swim Teacher directory
- » Access to Swim Teacher Members logo
- » Recognised by ASCTA, AUSTSWIM, ASSA, USSSA and NZSCTA
- » Newsletter monthly
- » Flexibility to complete training from any device and any location
- » Gain professional development points towards re-accreditation of your swim teacher licence
